Arrowmen,

On behalf of Section S-4, we are excited to announce that the 2021 Section Conference is gearing up for take off! This year, Tipisa Lodge will be hosting this event April 9-11th at Camp La-No-Che in Paisley, Florida.

As we take flight and shoot for the sky, this weekend will provide incredible experiences for the members of our Section to launch us to new heights. During Section Conference, we will offer signature experiences for all to enjoy.

We can't wait to see you at the event and whatever challenges may arise, we will always Persevere for the Future!

This year's Section Conference registration is centralized. All Arrowmen can visit <https://tipisa.org/events/conference/> to register, as well as place your Trading Post Pre-Orders.

Thank you,

Adam Lucier | Section Chief
