

The Trainer's EDGE

The purpose of the Trainer's EDGE course is to provide and help develop the platform skills of a trainer. It is meant to provide presentation skills for all District and Council trainers and to supplement the practice offered through Wood Badge and NYLT staff development, with a focus on the participant, while raising the level of skill a trainer brings to the staff experience.

ALL ARE INVITED AND WELCOME TO PARTICIPATE IN THIS TRAINING.

Only practice can polish these skills, but this course is intended to "train the trainer" on behaviors and resources while offering hands-on experience in methods and media.
