Letter from the Ambassadors

Dear Scouts and Scouters,

It is our pleasure to present to you the guidebook for 2023 Panther District Camporee. This camporee is our Annual Scout organized and run program hosted by the Tukosee Mathla Chapter of Osceola Lodge of the Order of the Arrow. We are presenting an event that will capture the attention of the youth of the district and help teach them teamwork and leadership skills through healthy competition.

We welcome all who are attending and their guests to see what the world of Scouting can offer. Leaders and parents, you have not been forgotten. You can aide your unit in participating in the unit/adult competitions.

Please help us by promoting this event within your unit and to your friends in other units. We hope this will be a great experience for all involved and will be a memorable time. So, sign up early, you won't want to miss this awesome event!

Rules for Unit Competitions

Gateway – (100 points)

This is judged on how well the gateway how well the knots are completed, how elaborate the gateway design is, if the theme is included, and if there is representation of your unit (charter organization and location) anywhere on your gateway. Each gateway must be made from natural materials (NO bamboo) brought in by the unit. The use of additional materials other than staves are encouraged to provide details to a gateway theme. Those units that use adults for the construction, other than safety concerns, will be disqualified from the competition. Also, you are not allowed to dig any holes for support. Gateway must be freestanding. Gateway setup should be completed by youth. A copy of the score sheet is located under the forms section of this event guide.

Campsite Inspection – (100 points)

At check-in, your packet will have your inspection sheet inside. Make sure it is posted in your site so that a staff member can record your score and collect your sheet. If this sheet is not present at the site, 50 points will be deducted from your inspection total. A copy of the score sheet is located under the forms section of this event guide.

Covered Wagon Race (Troop Relay Race)

Each troop will need to prepare a horse (adult) powered Covered Wagon Race to compete in a relay race (see example below, though you do not have to follow this design). The wagon must be pushed, pulled or walked with 2 Scouts inside the wagon and 1 -2 adults will “power” the wagon. Awards for race winner and most creative wagon will be given. Please contact event staff if you have questions regarding building the wagon. Riders inside of wagon must wear helmets for safety purposes during the race.

Adult Competitions

Chuck Wagon (Cook Off)

All meals must be made in Dutch ovens at camp (Scouts honor).

Adults must create 1 dish for minimum for 4 Judges.

Must have a recipe / ingredient sheet with presentation

Tumbleweed Toss (Corn Hole)

Single elimination round, you lose you go home.

Pigeon Hunter

Points will be awarded based on accuracy using a “surprise” target. Tie Breaker shoot-out will occur until a winner is determined.

Camp Emergencies

The camp has emergency phone numbers posted near all building entrances; FM radio communication throughout the reservation; a written agreement with the local emergency service providers; fire equipment and first aid material and a working relationship with the local Sheriff's Department and the Fire Department. If you have any questions about procedures after reading this section of the manual, please ask. During an emergency your responsibility is for your unit.

Emergency Horn, Emergency Assembly Area (EAA)

When you hear one, long continuous sound from the camp siren (between three and five minutes in duration), please assemble your unit immediately on the parade ground.

Once assembled, please take a head count and send a junior leader to report attendance to the staff member in charge next to the parade field flagpole. The staff member in charge will provide further instructions to the junior leader to share with your unit.

Please stay in the Emergency Assembly Area until the all clear signal is given (three steady 5 second blasts from the siren).

If you hear the camp siren give a 15 second blast, the Thor-Guard lightning prediction system has been triggered and you must cease program and move to a grounded shelter. All hard-roofed pavilions and camp building are grounded shelters.

Please stay under hard shelter until the all clear signal is given (three steady 5 second blasts from the siren).

Fire

1. Mobilize your unit in a safe area. Send someone to the Administration Building to report the location of the fire.
2. Fire-fighting tools are located in each campsite. We do not want youths/units fighting fires.
3. Proceed to emergency assembly area; take attendance; send junior leader to staff member at the flagpole with a two-way radio, report unit status; further instructions will follow.
4. Check your Fire Guard Chart provided at camp for further details.

1. Mobilize your unit in a safe area.
2. Proceed to emergency assembly area; take attendance; send junior leader to staff member at the flagpole with a two-way radio, report unit status; further instructions will follow.

Lost Bather/Boater

1. Upon hearing the emergency horn, report to the emergency assembly area and check attendance.
2. Send a junior leader to a staff member at the flagpole and report attendance.
3. Stay at the emergency assembly area until all clear is given.

Lost camper

1. Report situation to the administration building immediately.
2. The Camp Director/Program Director will provide further instructions.

Personal Accident

1. Give immediate first aid.
2. Report accident to Health Lodge.
3. Medical Officer will administer further first aid and complete the Incident Information Report.

Severe Weather/Storm

- **Boating, sailing and kayaking:** All boating, sailing and kayaking activities will be suspended under the discretion of the Aquatics Director or staff leader in charge due to pending lightning storms or unsafe wind. Campers and volunteers will follow the directions of the staff member in charge to bring boats ashore. Program will reopen when the Aquatics Director feels conditions are safe.
- **COPE and Climbing Tower:** At the direction of the COPE/Climbing Director, the climbing tower and high and low elements will be evacuated pending severe electrical and lightning storm. Participants will follow the directions given by COPE Department staff. Program will reopen when deemed safe by the COPE/Climbing Director.

Encounters with Wildlife

Price-Sanders Scout Reservation covers roughly 1,300 acres and offers a wide range of exciting adventures, including the opportunity to observe many types of birds, fish and wildlife. Undoubtedly the opportunity to observe these animals will provide lifetime memories.

Seeing them in their natural habitat is always a pleasure, but it is wise to remember that they are the permanent residents of the camp while you are the visitor. Treat them with respect; give wildlife enough space so it will not feel threatened by your presence. Most conflicts between people and wildlife are linked to careless handling of food or garbage.

In the event you are injured, provide first aid then please report to the Health Lodge immediately. For additional information or assistance contact staff advisor or camp ranger.
