

CUB SCOUT DAY CAMP, 2011

POCKET KNIFE PERMISSION SLIP

WEBELOS ONLY

As part of our Webelos Woods program for boys who will be ENTERING Webelos I or moving up to Webelos II next school year, we are continuing the Camp Flying Eagle Cub Scout Day Camp tradition of a pocket knife safety class.

Webelos will receive Whittling Chip instruction (even if they have had it before) and be tested on pocket knife safety before they are allowed to use a pocket knife that will be supplied as part of the course to whittle a small project under close supervision.

DO NOT SEND YOUR WEBELOS TO CAMP WITH A POCKET KNIFE. A POCKET KNIFE WILL BE PROVIDED AS PART OF THE COURSE.

Webelos will NOT carry their pocket knives around during camp. They will remain for supervised use in the Webelos Woods area ONLY.

Please bring this form to Pre-Registration if you would like your Webelos Scout to be able to take his pocket knife home on the last day of camp.

I, _____, give permission for my son,
Parent/guardian name

_____, to bring home a pocket knife on the last day
Webelos Scout name

Of Cub Scout Day Camp, 2011. I understand that my Webelos Scout has earned this pocket knife by completing a Whittling Chip Safety Instruction Course and Passing a Pocket Knife Safety Test at Cub Scout Day Camp, 2011.
